

# MANITOBA FARM WOMEN'S CONFERENCE

## Celebrating 40 Years of Women in Agriculture with a Cookbook!

We're thrilled to announce the creation of a special cookbook for the 40th anniversary of the Manitoba Farm Women's Conference in 2026. We invite all attendees, followers, and friends in agriculture to share their favorite recipes and photos. Let's come together to create a book that reflects the wonderful diversity, traditions, and culinary love within our community.

Each year, our conference brings together generations of farm women and rural community members, with a mission to connect and empower through education and shared experiences. Now, let's add a taste of your favorite dishes to our story!

### **Recipe Submission Guidelines:**

- Recipes can be submitted using this form, as a printed copy (please attach any photos you'd like included), or via email to [info@mfwc.ca](mailto:info@mfwc.ca) before and during the conference.
- Recipes submitted by email or in person will be entered into our recipe draw!
- Feel free to submit multiple recipes and additional pages for more space.
- Share this form with friends, family, and fellow women in agriculture who might like to contribute.
